**Visitor Invitation Tickets**

Exhibitors will receive complimentary Visitor Invitation Tickets for circulation to your valued clients. Tickets are designed to be distributed to prospective visitors and should not be given away at random as this may undermine the quality of the audience.

As all Visitor Tickets will be issued with a company specific barcode, post-exhibition Full Frontal can provide you with the number of people who utilised the tickets you issued.

Please nominate below the number of complimentary visitor tickets you require which in turn will be sent in the mail. Additional tickets can be ordered by emailing Rowena Rowbotham rowenar@fullfrontalexpo.com.
